

# RHINO

## CASH & CARRY

### Rhino lends a helping hand.

After the devastating floods that hit most of the South Coast and with the Umzinto store experiencing the worst of it, the Rhino group pulled together with suppliers to help the community back on its feet.

In conjunction with suppliers Unilever, Tiger Brands, Rainbow, Shield, Sasko, Pride, Imana, Monteagle Africa, Parmalat, Market produce,

Premier foods and Makari an estimated six tons of food and other necessities was donated to the crisis centre based in Portshepstone.

Paul and Karen Oosthuysen took personal charge of the operation and were assisted by Cameron Whittle and Clive Marion who provided the stock from the Portshepstone store. The transport was provided by the Fever Publications and

the stock was then delivered and unloaded by hand. A big thanks to all who assisted in unloading.

The Director of Protection Services, Mr Victor Chetty who headed the recovery operation, said that he was very happy with the generous contribution which would be given to those affected by the floods in the region.

Management members of the Rhino Group, (from Left) Clive Marion (Assistant Manager), Paul Oosthuysen (CEO) & Cameron Whittle (Store Manager) stand in front of their 6 ton food donation for the people of South Coast.
